Appendix 1

Pencaerau Primary School Procedures for responding to subject access requests made under the Data Protection Act 1998

Rights of access to information

There are two distinct rights of access to information held by schools about pupils.

- Under the Data Protection Act 1998 any individual has the right to make a request to access the personal information held about them.
- The right of those entitled to have access to curricular and educational records as defined within the Education Pupil Information (Wales) Regulations 2004.
- These procedures relate to subject access requests made under the Data Protection Act 1998.

Actioning a subject access request

- Requests for information must be made in writing; which includes email, and be addressed to The Headteacher of Pencaerau Primary School. If the initial request does not clearly identify the information required, then further enquiries will be made.
- The identity of the requestor must be established before the disclosure of any information, and checks should also be carried out regarding proof of relationship to the child.

Evidence of identity can be established by requesting production of:

1. passport
2. driving licence
3. utility bills with the current address
4. Birth / Marriage certificate
5. P45/P60
6. Credit Card or Mortgage statement This list is not exhaustive

- The response time is 40 calendar days after any clarification is sought
- The Data Protection Act 1998 allows exemptions as to the provision of some information; therefore, all information will be reviewed prior to disclosure.

- Third party information is that which has been provided by another, such as the Police, Local Authority, Health Care professional or another school. Before disclosing third party information consent should normally be obtained. There is still a need to adhere to the 40-day statutory timescale. Any information which may cause serious harm to the physical or mental health or emotional condition of the pupil or another should not be disclosed, nor should information that would reveal that the child is at risk of abuse, or information relating to court proceedings.
- If there are concerns over the disclosure of information then additional advice should be sought.
- Where redaction (information blacked out/removed) has taken place then a full copy of the information provided should be retained in order to establish, if a complaint is made, what was redacted and why.
- Information disclosed should be clear, thus any codes or technical terms will need to be clarified and explained. If information contained within the disclosure is difficult to read or illegible, then it should be retyped.
- Information can be provided at the school with a member of staff on hand to help and explain matters if requested, or provided at face to face handover. The views of the applicant should be taken into account when considering the method of delivery. If postal systems have to be used then registered/recorded mail must be used.

Complaints

Complaints about the above procedures should be made to the Chair of the Governing Body who will decide whether it is appropriate for the complaint to be dealt with in accordance with the school's complaint procedure.

Complaints which are not appropriate to be dealt with through the school's complaint procedure can be dealt with by the Information Commissioner. Contact details of both will be provided with the disclosure information.

Contacts

If you have any queries or concerns regarding these policies / procedures then please contact The Headteacher.
